NOTES FROM THE SECRETARY

Sorry this got out so late AGAIN (So fire me - Please!). Our next speaker in February will be John Burk of metal detecting fame, and Alan Davisson, if you're reading this, we sure could use you for March. To all those who did not make the Christmas party - the food was great, the wine was free flowing, and Elwood generously contributed to the delinquency of all present (you'll find out at the meeting). See you Thursday! And don't forget - Dues are due are dues.
