This Month's Presentation!

"The Art of Judging Art on Ancient Coins"

A Video By Harlen Berk

This month we will be having a video presentation. This recording is of a seminar done by Harlen Berk at the ANA convention in 1991. Harlen will cover such topics as a definition of style, how style is separate from other grading factors and how to distinguish between good and bad style. The video only takes about 33 minutes, and should be very informative.

NOTES FROM THE SECRETARY

Please! be prepared to discuss the summer picnic and officer elections.

Ken Hollister has reported that the coins that were supposed to be at the last show got hung up in customs and couldn't make it. They should be here for July.

Once again - if anybody has a fax machine please let me know - I can fax to you direct (and my son won't have to lick so many stamps!).
