Alexander Mosaic Topic of April Talk

Eskil Broberg will entertain and inform us with a slide presentation on the Alexander Mosaic at our April 28th meeting.

The Alexander Mosaic was excavated in 1831 in Pompeii. This masterpiece, consisting of 1.5 million stones, covered a floor of the House of the Faun. It depicts a crucial battle between the Persians and the forces of Alexander the Great in which Alexander decisively defeated the Persian King Darius.

MIA Coin Exhibit

The TCACC committee has not met since February. Tom Beniak is writing an outline for the Roman Coins section of the proposal and Marilyn plans to have some sample pages to distribute at the next meeting. John has been the organizer of this project, but we hope to continue to work with the MIA contact person and bring this together.

Oh No! John is Leaving Us!

We are losing our President. John Haer is moving to South Dakota to work in partnership with a friend who is a automotive parts wholesaler. We will be very sad to see him go, he has done a great job as club President.

This will be the last meeting that John will chair. We need to discuss who will chair the remaining meetings and take charge of the club's property—projector screen, display box and coins.

John we will miss you!

TCACC Meetings

The TCACC meetings are held on the 4th Thursday of each month at the Immanuel Lutheran Church, 104 Snelling Avenue South in St. Paul. The club is open to all who are interested in ancient coins and ancient history.

Meetings begin at 7:30 pm and conclude with an auction of ancient coins, catalogs and books.

Annual dues are $5.00 payable each January. Members are also asked to donate $1.00 per meeting to cover room rental costs.

Coin Show

Head for the Hills Coin Show

April 30th to May 1st
