TWIN CITY ANCIENT COIN CLUB

Bob Stumm, President Tom Beniak, Vice Pres. Whitney Lindwall, Treas.

NOVEMBER 1983

Hope for a good evening to drive to our meeting on Thursday, November 17, 1983 (a week earlier than our usual fourth Thursday due to Thanksgiving). See you at Immanuel Lutheran Church Lounge on Goodrich and Snelling, St. Paul (across from Macalaster College) at 7:30 PM ON NOV. 17TH.

An intriguing program is planned with Bob Stumm leading the discussion on MARCUS AURELIUS - THE STOIC PHILOSOPHY. Please bring in coins of Marcus Aurelius, Emperor to enhance our discussion. Also any other tidbits you may want to discuss will be appreciated.

David, your talk on the archeological dig in England with slides was most enjoyable. Many of us just cannot wait to nose around over there where there are so many ancient artifacts, but frankly, I'll leave the digging to you ambitious ones.

Some exciting moments are being planned for our Saturday, December 10, 1983, social evening. Make every effort to come to the November meeting to finalize the plans. We like to meet somewhat separate from the mainstream at a more or less centrally located restaurant in the Twin Cities. We do have folks from Stillwater, Bloomington, Eden Prairie, for instance. Also, if you suggest a restaurant, keep in mind that there are various tastes within the group. For sure, some cannot tolerate real spicy food so a varied menu is a must. Somehow, it would be nice to be somewhere where there is a short special entertainment. One thought, not researched, is the new Amfrac Hotel next to City Center downtown Minneapolis. A huge indoor parking ramp is right there. They have more than one restaurant and sounds like some entertainment possible. URGENT YOU HAVE SOME INPUT ON THIS AS WE NEED TO MAKE EARLY RESERVATIONS AND KNOW SOMEWHAT FOR HOW MANY.

For the winter months, on our usual fourth Thursdays (January on), we have some wonderful programs planned. Be sure to consider those times very special. Weather permitting, come.

Many of you brought or sent in your yearly $3.00 dues. Our appreciation. If you still need to come up with the $3.00, see or write Whitney Lindwall, Treasurer.

Any other ideas you have for our club to function at its best are appreciated. Discuss them first with one of the officers. Thanks.

Sincerely,

Bea Lindwall
Secretary
