A DETAILED LOOK AT A ROMAN COIN

ESKIL BROBURG TO ADDRESS CLUB

THURSDAY, JUNE 22nd

Please join us for our June 22nd meeting. Eskil Broburg will lead us through a detailed discussion of a Roman coin, utilizing enlarged photographs of both obverse and reverse of coins from his collection, and a Latin translation guide by Michael Grant. The legends of one or two coins will be translated and explained.

This should be an interesting demonstration of what can be learned from a close examination of an ancient coin.

ELECTION OF OFFICERS TO BE HELD

As is customary at our June meeting, an election of officers for the 1995-96 club year will be held. We all owe many thanks to our officers for making our meetings interesting and active.

Now is the time to serve your as an officer. Please consider volunteering for this service to your club. Nominations and elections will be held.

CLUB PICNIC DATE TO BE DECIDED

At our June meeting, we'll discuss the annual summer picnic and choose a date. Be sure to voice your opinions.

The Twin Cities Ancient Coin Club is devoted to the study of ancient and medieval coinage and culture. The club meets once each month (except July and August) at the Immanuel Lutheran Church, 104 South Snelling (corner of Snelling and Goodrich) in St. Paul.

Meetings begin at 7:30 PM with coffee, cookies, and conversation. An auction is held at each meeting. Members are encouraged to bring coins and books about coins or ancient history to sell.

Annual dues are a mere $5, payable each January. This covers the cost of our newsletter. Members are also asked to donate $1 at each meeting to cover the cost of the room rental.
