NOTES FROM THE SECRETARY

Upcoming speakers : I'm hoping to talk to Jack Weatherford, author of the critically acclaimed 'The History of Money', once he returns from vacation in May. Now I haven't talked to him so this is a big maybe. If any body knows Jack, perhaps you could help us get connected.

Once again - if anybody has a fax machine please let me know - I can fax to you direct (and my son won't have to lick so many stamps!).
