TWIN CITIES ANCIENT COIN CLUB MEETING NOTICE

******Meeting to be held on the 3rd Thursday******

FOR THURSDAY, April 16, 2009 Vol. 49, Number 4

This Months Presentation by club member Tom Beniak:
"Egyptian Coinage and Alexander the Great's Mummy: How both reflect the transfer of power after his death" Alexander the Great's death in Babylon, June 10, 323 B.C. set into motion the breakup of one of history's greatest empires. Filling the power void did not progress smoothly. Coinage in Egypt and Alexander's mummy were both witness to and manifestations of the struggles that followed. The enduring mystery of Alexander's lost remains and his tomb will also be discussed. Examples of the critical coinage will be highlighted.

Reminder of new Dues structure :

TCACC Website :
Don't forget the club's website ... go to http://tinyurl.com/w5wkn . At our April meeting Bill (the webmaster) had just received a large batch of old newsletters from the 70's - check it out and see TCACC's own ancient history.
