Twin Cities Ancient Coin Club

Twin Cities Ancient Coin Club

St. Paul-Minneapolis

Volume 45, Number 4

MEETING NOTICE FOR THURSDAY, APRIL 28th, 2005

PRESENTATION: A DOUBLE FOCUS on ancient and modern coins: FIRST, with the release last week of the Minnesota quarter, we are fortunate to hear from a member of the Governor's Commission for selecting the quarter design: Bill Himmelwright. Bill has been dealing with rare coins full-time since 1985 & will talk about the design selection process for the MN quarter and state quarters issued to date. He will answer questions about the state quarters program and collectability. SECOND, since we all have had occasional problems with the attribution of ancients & other hammered coins, time will be set aside for you to bring a coin for which you need help with the hope that you can obtain help from another member. One member has already asked about this possibility.

TREASURER'S REPORT

AUCTION: You are invited and encouraged to bring items for auction – and to bid in the auction.
