TWIN CITY ANCIENT COIN CLUB
****

Volume 45, Number 3

MEETING NOTICE FOR > THURSDAY, MARCH 24, 2005 <

PRESENTATION: Rather than a single main presentation, a number of members have suggested a different format for Club meetings from time to time. In response, about six Club members will exhibit abbreviated aspects of their personal collections of Roman, Greek, Parthian, or Byzantine coins. The setting will be informal and the physical space arrangements will allow members to move from one exhibit to another, depending on their interests – all of this following a brief talk by each of the exhibitors regarding their display. At the same time, members are encouraged to bring along any special coins they wish to discuss with exhibitors – or coins they would offer for trade or sale.

TREASURER'S REPORT

AUCTION: You are invited and encouraged to bring items for auction – and to bid in the auction. A display area for auction items will be set-up before the meeting for members to view the items prior to the start of the meeting. You may designate if proceeds are for personal, Club, or ACCG purposes.
