> Topic: "Dating Eras of the Ancient World"
> Charles Gustafson will discuss some of the dating methods used in the
> ancient world, including eras based upon olympiads, emperor's regnal
year,
> city foundation, etc. Many of these dates are included on ancient coins

>
> Important News:
> Increases in expenses have placed the club in a precarious financial
> position. It has therefore been necessary to raise annual dues (payable
in
> January of each year) to $6 to cover these increased costs. While steps
> have been taken to reduce the mailing costs, there are two things that
> members can do to help:
> 1. Prompt payment of dues are greatly appreciated and will help put
> the club "back in the black". Dues can be paid to the club Treasurer at
> meetings, or sent to P.O. Box 8002, St. Paul, MN 55108.
> 2. Members who have e-mail capability and are willing to receive an
> e-mail announcement instead of a paper copy are encouraged to do so. A
> message to this effect should be sent to either Todd Ballen
> (tballen@ece.umn.edu) or Art Noot (anoot@win.bright.net).
