VOLUME 33, NUMBER 7 SEPTEMBER 1993

Editor of *The Celator* Will Share the Insights Gained in 30 Years of Buying and Selling Ancient Coins

Wayne Sayles, editor of the nusmismatic magazine, *The Celator,* will speak at our Thursday, September 23rd meeting. His talk, titled "Insights on Buying and Selling Ancient Coins: A Discussion Based on 30 Years of Experience," will cover a wide range of subjects and begin at 8:00PM.

He is an authority on the Black Sea Hoard and might be persuaded to provide some commentary on these controversial coins.

Wayne is always a welcome and interesting speaker, with great stories and broad experience. He will entertain and inform us. Don't miss it.

Short Sub-Topic: If Only Coins Could Talk

Marilyn Matheny has a very short story to tell the club. She and Michael Sikora will talk about an interesting experience they had in finding what is possibly a part of her stolen coin collection. The adventurous coins will be exhibited.

Retrograde Volumes

Your secretary found that the last two year's of newsletters may have listed the wrong volume number. In reviewing the past four years of newsletters, I found that new volumes usually start in January, rather than in September with the start of the new club year. These numbers were used:

1990 — Volume 30
1991 — Volume 31
1992 — No number and Volume 28
1993 — Volume 28—now Volume 33

I will use 33 until January 1994.

Join Us!

The TCACC meetings are held on the 4th Thursday of each month at the Immanuel Lutheran Church, 104 Snelling Avenue South (the corner of Snelling and Goodrich, near Macalaster College) in St. Paul. The club is open to all who are interested in ancient coins and ancient history.

Meetings begin at 7:30PM with coffee, conversation and examination of coins for sale. A (very) short business meeting is followed by an educational program at 8:00PM. Each meeting concludes with an auction of ancient coins, coin catalogs and books.

Annual dues are $5.00 payable each January. Members are also asked to donate $1.00 per meeting to cover room rental costs.

We invite you to join us. You are welcome to bring coins or books to show or sell.

Your Prez, John Haer

Your newly re-elected President for 1993-1994, John Haer, is serving his second consecutive term as president of the TCACC. He also served as Secretary in 1991–1992.

He has been a member of the TCACC for 4 years. His special area of numismatic interest is in Roman coins of historical significance.

John is married and has a 5 year old son. He is a history buff and reluctantly keeps parakeets.

He is employed by Mite's Homes in Plymouth as an AutoCad specialist. He uses this computer automated design and drawing software to redesign existing home models to suit a buyer's specifications. This rather amazing program also generates a complete list of all supplies and materials needed to construct the individually designed homes.

His meassage for this month is: "If you can talk, come do it before the TCACC. We need a speaker for October."
