Twin City Ancient Coin Club

May 24, 1990 Vol. 30 No. 5

May 24th Presentation: Mr. Bill Daehn will provide us with an overview of ancient Greek coinage from their origins to the Roman Conquest. He will use slides and examples to trace the background and development of rare and common gold, silver, and bronze issues, together with the less frequently seen electrum pieces. Please bring examples from your collection to share with others in support of Bill's discussion.
