MINOANS AND MYCENAEANS INVADE ST. PAUL!

Numismatists Gather to Learn More

ST. PAUL, MN Local numismatists will gather on October 27th to view a very interesting videotape on **Minoan Crete** and **Mycenaean culture**. This is a quality program that will interest all members of the ancient coin collecting community.

Minoan civilization flourished c. 3000—c. 1100 BCE, centered on the island of Crete. The Minoans had a distinct artistic style, built great palaces, and influenced later Greek culture.

The Mycenaeans flourished c. 1400—c. 1100 BCE, were centered on the Greek mainland, and are well known for their fortified cities.

Join us Thursday, October 27th, to learn more about these important ancient peoples.

The Twin Cities Ancient Coin Club is devoted to the study of ancient and medieval coinage and culture. The club meets once each month (except July and August) at the Immanuel Lutheran Church, 104 South Snelling (corner of Snelling and Goodrich) in St. Paul.

Meetings begin at 7:30 PM with coffee, cookies, and conversation. An auction is held at each meeting. Members are encouraged to bring coins and books about coins or ancient history to sell.

Annual dues are a mere $5, payable each January. This covers the cost of our newsletter. Members are also asked to donate $1 at each meeting to cover the cost of the room rental.

Please join us! And bring a friend.
