SUBJECT : AN IMPORTANT SESSION FOCUSING UPON GREEK COINS!
STEVE ANTONELLO will give a coin-guided tour of the Greek Mediterranean world, using David Sear's geographical outline. He will show coins from the time period c. 550 B.C. to c. 160 B.C., discussing aspects of each that motivated him to buy the coin, as well as features that he wished were not present ... He will also share digitized photographic images of his coins, including a description of his method of cataloguing digital images and text.
While Steve's main collecting focus is on the aesthetic and artistic aspects of coins, he also studies their mythology, symbolism, history, & geography.
