TWIN CITY ANCIENT COIN CLUB MEETING NOTICE....

FOR January, 26th, 2012. Vol. 52, Number 1

PRESENTATION: Owning Ancient Coins in 2012

Happy New Year and welcome to the club's first meeting in 2012. We usually feature a recap of the world famous New York International Coins show in January. This year the event witnessed two of the featured coins of the annual Triton auction as well as the arrest of a prominent collector and ANS trustee. This meeting we will look at the legalities of owning ancient coins in today's environment, what collectors should do to protect themselves, a recap of the NY show, as well as looking back at some other famous coins that have been withdrawn from prominent auctions. Bring your Christmas presents and purchases and settle in for a thought provoking discussion.
