TWIN CITY ANCIENT COIN CLUB MEETING NOTICE....
FOR THURSDAY, October 26th, 2006. Vol. 46, Number 8

PRESENTATION: Since our new meeting area affords a bit more space and ease of interaction, let's take advantage and combine a little history, geography and, of course, coins. The general subject will be Greece and members are encouraged to bring one or many Greek or Greek Provincial coins from a variety of cities. We'll use a large map of the area to help us all see the geography and discuss the history of the various Greek states from Spain to Asia Minor.
