TWIN CITY ANCIENT COIN CLUB
****
Volume 44, Number 4
****

MEETING NOTICE FOR > THURSDAY, APRIL 22, 2004

SUBJECT: Tom Beniak will be the featured speaker and will discuss "Ancient Crete: The Coinage and Mythology".

The important island of Crete was the center of much important mythology in ancient times and the island's coinage reflected those themes. But the coinage also bears other characteristics such as its relative scarcity and the prevalence of overstrikes. Tom will explore some of these issues to help us improve our understanding of this interesting coinage.

Please bring any Cretan coins that you may have to share with the club.
