TWIN CITY ANCIENT COIN CLUB
****

Volume 45, Number 7

MEETING NOTICE FOR > THURSDAY, September 22, 2005 <

PRESENTATION: The first focus of the TCACC season will be coin science. Jorg Lueke will discuss > Chemistry: coin cleaning – what are pesky chemical reactions that mar our beautiful coins & what can be done to clean them up. There will be demonstrations on uncleaned bronzes and silver coins;

> Physics: Metrology – a short overview on measurement of coins. Weight, diameter, specific gravity and chemical composition. He will demonstrate how he measures & weighs coins and perform some sample measurements with a homemade portable device.

NOTICE: Due to major construction, please enter the church on the south side (Goodrich Ave) double door and proceed to the Fellowship Hall.
